

Today COULD be the end of type-in on WARPAIN #WABWM

By Holly Lisle

Was up until 5:30 AM, so starting kind of late this morning.
11:21 AM

On page 323 of the manuscript, with 394 the final page, and about 20 handwritten pages that I know of yet to type in.

No idea how quickly this will go, but I could conceivably wrap the type-in today.

Write exuberantly, and with joy!

Onward.
