

Today went better. I love a LOT of Ohio 3.

I made it a nice chunk of the way through Book 3, and there is, in fact, a whole lot of story that's worth saving – that's funny, and in places moving, and overall very strange – but which fits the world I've built and the characters I've put into it.

So after a few stressful days, there's actually a whole lot about Ohio Three that I'll be keeping.

Cannot even begin to describe what a huge relief this is.
