

Trying to figure out Ko-Fi Rewards – please VOTE and Suggest

By Holly Lisle

I'm over on Ko-Fi now (instead of Patreon), and I'm trying to figure out what would be cool to offer my supporters.

I'm shooting for "best rewards imaginable – that I can do within the limited time I have to create them."

So I'm asking for you to vote on what's already come in, and SUGGEST other ideas.

POLL HAS CLOSED BECAUSE I LEFT OUT SOME IMPORTANT SUGGESTIONS.

Select the two rewards you'd prefer for funding my fiction through Ko-Fi.

- Monthly lottery drawing for one person who gets to pick a topic for a post, ask a question, or some other special reward.
- A special monthly private blog post just for supporters. (Your choice of content from my list of what's possible if this option is chosen).
- Unique, limited-availability T-shirts or other purchasable items just for supporters, with my quotes, cover art, etc.
- Downloadable flash fiction stories OR downloadable excerpts from novels in progress.
- EXCLUSIVE SUBSCRIBER OPTION: A live private hangout

from time to time on Zoom for folks who support me at the monthly subscription level, with the chats becoming later-release open video access on YouTube.

- Early access to new classes (or new novels).
- Other suggestions?

I acknowledge that my IP address will be stored and cookies will be enabled when I submit my vote. I give my permission for this.

And the help I need is your vote on the two possibilities you like the most, PLUS additional ideas if you aren't thrilled with anything that's come in so far...

So if you're a supporter (or might like to be) please make yourself heard.
