- Up late, working on Lesson 13, the lesson that will not die... #
- @PolarBear60 Lesson 13? Yeah. Crashed around 5:30 AM on it. Back up to work on it again now. This has been hard. Not big. Just hard. #
- I'd rather do math than print out hundred of pages. ☐ #
- Day 4 Birthday Bash Winners: @cosmognome @KittyTaylor Congratulations! #

- Birthday Bash winners announced early because the Rangers are playing in Prague, and are coming on at NOON. So I'll be watching them then. #
- @PolarBear60 They won. Two games in a row. ☐ Lesson is still kicking my ass, though. #
- @chrismoody If you can't think of anything you want, you can usually think of something someone else wants. ☐ Makes the day fun. #
- Vote here for the gift you want:

- @chrismoody That was supposed to have gone out to everyone. I sent it just to you? Oy. #
- @chrismoody Oh, that was responding to your comment about me giving presents on my birthday. #
- STILL writing Lesson 13. And I haven't even made it to

the technique yet. This is a nightmare. #
