

Two more chapters down

I had a lot of revision to type in on **Midnight Rain** this morning, and a fair amount of new material to add. (New material being the stuff that I came up with this morning, as opposed to last month.) Because of conflicting family schedules, I did not have a lot of time to do it. Still, the work went well, and I'm pleased with my progress. I'm hoping to be able to maintain my focus and my rate of progress – two chapters a day of revision would be satisfactory until I hit the chapters I have to write from scratch.

Though I have to say the five chapters of revision I got the day before yesterday were encouraging. I'd **love** to be able to hit that pace again.
