

UGLY BABY free PLF-based workgroup is now LIVE

By Holly Lisle

As I promised, UGLY BABY, the free PLF-based workgroup—which will run for the next twelve months—is now live in the writing community and is open to all members. Sign in at <https://howtothinksideways.com/> and get started.

There are two challenges I recommend you sign on for, and I'll be putting up a BONUS VIDEO wash-rinse-repeat process for a free way to get your work out there and selling, doing Seed Launches as described by Jeff with my added quick turn-around for getting feedback you can use.

Write with joy, and kick ass in the next 12 months.

Holly

P.S. It's free to all my site members. If you're NOT a site member, that's free too. Sign up for your account here:

<https://howtothinksideways.com/join-us/registration/>

P.P.S. Until Friday, we're still on the old site. Folks sometimes have problems with the current account creation and sign-in process. If you do, go here: <http://novelwritingschool.com/support/>

I do all my own support right now, so you may have a wait, but I'll get you in. – Holly
