This is what I looked like yesterday.

I HATE having my picture taken. But I had to have a picture done for LAST GIRL DANCING. I wanted something less posed than that GlamourShots thing I had done back in 2000, so my wonderful guy took pictures of me at my desk. This was the one I liked best.

Will put a bigger version up in the AUTHOR section of the site, and take down that pink-shirted long-suffering "I'm smiling, please snap the damn camera now" picture currently up there.
