

WABWM: Tues, Sept 25, 2012

Don't feel well today. Too bad. Deadlines wait for no one.

Am at the point where I'm going to have to do a replacement plot card: Cool things happened yesterday that created actions that created consequences I'd not anticipated. I love the twistiness of what comes next.

STARTING COUNT: 56,022

GOAL: 1500+

CURRENT SCENE: Production and Delivery

If you have not yet commented on the post on my weblog about changing the site for this back to my weblog, please do:

And joyful writing.

12:01 PM

Still feel awful, but it didn't get in the way of the writing.

ENDING TOTAL: 58,115

TODAY: 2,096

Finished *Production and Delivery* with a nice transition, and total candy-bar stuff that I get to write tomorrow.

And an unplanned, unanticipated conversation between Cady and Nose (ex-slave, current privateer, one of Storm Rat's top guys) has given me food for thought and a potential new direction a couple books down the line.

END NOTE: FOR A WHILE, I'm going to post my daily WABWM run in the forum as I'm writing. When I'm done, I'll copy my own run, bring it over here, and folks who would prefer to play on the blog can post here.

This is NOT the permanent state of things. I detest duplicating effort, and at the end of the trial run, I'll decide which of these two formats does better for me, my readers, and the writers who are playing.
