

What I Did In 2005

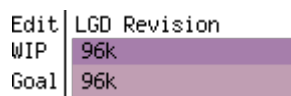

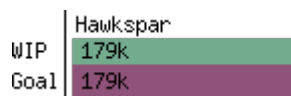

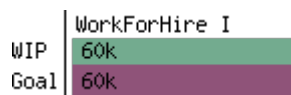

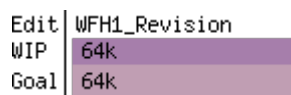

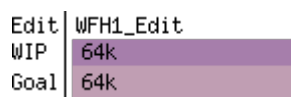

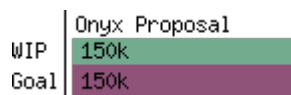

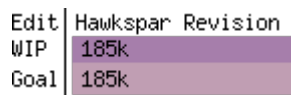

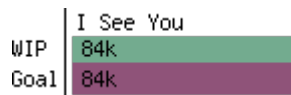

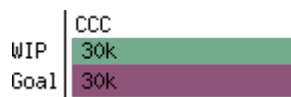

By Holly Lisle

When it came right down to it, I couldn't make myself dump all the little filled-up progress bars for my 2005 projects.

So I'm saving them here—a sort of “What I Did On My Summer Vacation” for grown-ups, only without the vacation.

Or the summer.

Yesterday, I started with a metaphorical clean slate. Today, I'm actually cleaning it. This is last call for last year's work.
