

When the Bough Breaks

By Holly Lisle

In the latest installment of the SERRATED Edge series, elf-driver Maclyn, his road crew mechanic/mother Dierdre, and the spirit of an ancient Celtic witch come to the rescue of one frail blonde girl, who just might be the strongest psi power on either side of Faerie—and who just might destroy both worlds if her pain isn't healed. Others in the series are Born to Run and Wheels of Fire.
