I forgot to post the Friday night word-count post for those of you playing “Write A Book With Me.”

I apologize—complete lapse on my part. It was my night off, and the post just slipped my mind. So I’m posting this one early, for Saturday and early Sunday, because right at the moment I remember. ☐

And I’ll be back Sunday night, working on my book and getting my words.

In the meantime, how are YOUR words coming along?
