

# Word Struggle

By Holly Lisle

Yesterday I got 1330 words. Not good. Better than nothing, but not good.

Today I don't have to worry about Doom Friday (when you have a project out, the worst news, like "we've decided we're not interested in any more books by you", usually comes late on Friday,) so maybe I can get some more and better work done.

I am stress walking right now; if it weren't for the bridging and the hindu pushups, I know my muscles would be knotted so tightly I couldn't move. But bad publishing news never comes on Saturday <she says, knocking on wood.>

So the goal for the day – 3000 words or better. Again. Let's see if I can get there this time.

Starting count: 6093. Goal: 9093.
