

# Words went well, bad things happened...

And once again, I loved what I got.

My poor, poor characters...

And I got 1351 words, and am now at 68,056 – and the villains in town have just done something really interesting, and my MC just got to see the first tip of a brand new iceberg...

But I now have to go work on the massive overhaul of the [HollysWritingClasses.com](https://hollylisle.com) site.

My moderators and I are rebuilding the whole thing (offsite, of course). I'm estimating that it'll take us between two and four months to get the whole thing overhauled.

It will, however, be spiff as hell when it's done.
