Yes, I did my words yesterday. Or most of them, anyway. I got sucked into the fun of CCC, which I foolishly started first. I was working on question structure in relationship to character building, and kept telling myself “ten more minutes, ten more minutes” until I’d spent way more time than I had.

I got to:

73,067 on **I See You**

9,534 on **Create a Character Clinic**

Goals for today:

76,167 on ISY

11,534 on CCC
