

Work for Hire I Is Done

By Holly Lisle

Finished WFH1 with 60,044 words. It's a little short, but I think that there are places in the earlier parts where I got sucked into the action and can probably fill in with more characterization, world-building, and conflict.

Have to go get some toner so I can print out my draft; then I'll do a readthrough and one-pass edit, and get the thing in the mail to my editor. Nice to know I still have about two weeks until it's due.
