

Worked Out the Bugs, and Cady Is Live

written by Holly

March 3, 2006

By Holly Lisle

✖ I'm sending the cleaned-up, shrunken-down, revised version of HTCB to the three folks who ordered the first version before I could yank it down. For everyone else, **Hunting the Corrigan's Blood** now ships at a lean and lovely 1.4 MB file size, is optimized for print for folks who want to save paper, and is also bookmarked for the daring souls who want to read onscreen.

Slightly revised the cover – the improved tagline is “Not every secret should see the light of day ...”

Still have to figure out what to say about the book itself. But it's there. It works. And I'm so happy.
