

Write a book with me...pretty soon

By Holly Lisle

I've been sick since last Thursday, and I spent the entire day today catching up on the HTRYN customer service e-mails that accumulated over the weekend. Got the course closed until late this year, got the main page set up so you can get a sneak peek inside the community, (just a tiny part of it, but still...) and I THINK I got everyone who needed help getting into class answered.

But. No writing tonight.

I feel like roadkill, and having JUST finished customer service, I'm going back to bed.

However, I have high hopes for words on TalysMana tomorrow.

Meanwhile, how YOU doin'?
