

Zenning Sheila Mode

By Holly Lisle

I want a day off between now and June 1st. To get it, I'm going to have to write a shitload of extra words some days. So today I'm going to see if I can channel Sheila, and buy myself a morning to sleep in and an afternoon to do something with watercolors and colored pencils, or maybe break out the oils. Or just keep my calluses healthy on the guitar.

Soundtrack for this morning – Classical Gas, Clapton; F# $\frac{1}{4}$ r Elise, Beethoven (guitar version); Bridge of Khazad Dum, Lord of the Rings soundtrack; Moonlight Sonata, Beethoven (guitar version); Concerning Hobbits, Lord of the Ring soundtrack.
